***Emotional Intelligence: Just what is it and How can it help me achieve success as a Professional?***

*by: Julie Kowalski, Spizzerinctum<sup>SM</sup> Group LLC*

**Energy Enthusiasm Success**

**CONTENT SUMMARY**

Emotional intelligence has become one of the hottest buzzwords in corporate America! Yet not many really know exactly what Emotional Intelligence is or for that matter how it is measured or how they can use their emotional intelligence to help them get ahead! Emotional Intelligence is often times more important than the technical skills required to get the job done! Few professionals know the 5 levels of EI and even what their own personal EI level is.

**NOTE: There is NO ROUND-TABLE DISCUSSION, NO pre-meeting clinic and NO plant tour this month.**

**CONTENT SUMMARY (cont.)**

Come hear speaker extraordinaire, Julie Kowalski share exactly what EI is, how it is assessed / measured, take an EI assessment to learn your personal current level of EI and the specific steps you can take to dramatically improve your personal Emotional Intelligence score!

Topics Include:

- Understanding EXACTLY what Emotional Intelligence IS and IS NOT
- The five levels of Emotional Intelligence and how you master each level
- A personal assessment of your current level of Emotional Intelligence and the actions required to increase your level of Emotional Intelligence
- How you as a Quality Professional can use Emotional Intelligence to significantly increase your promotability
- How a high level of Emotional Intelligence can help you more effectively (and efficiently) engage your team members
- How to leverage EI in your leadership communications

Take-a-ways

- A quick assessment of your current personal level of EI
- A strong understanding of exactly what EI is and is not as well as tools to help you strengthen your Emotional Intelligence
- Specific actions you can take to more effectively engage team members and stakeholders
- Specific actions you can take to communicate more effectively (have your message received in the most favorable way possible) to team members, customers (internal and external) and stakeholders

## June 2014 Section News

Greetings everyone!

The June dinner meeting is our social night and past chair recognition. The Milwaukee section is successful today as a result of the leadership of our past chairs who served our section. Please join us to recognize them.

At the May dinner meeting, we had a drawing for the Hy Pitt Scholarship. The winner was Julie Shuster. The award was established to honor Hy Pitt emeritus member of the Milwaukee Section. This award is available to members of the Leadership Team who are seeking career advancement through continuing education.

Due to the change in headquarter's fiscal year, section elections are now scheduled for October. This means that I will continue to serve as your chair until the end of December. Julie Shuster will then be your chair for 2015 along with a newly elected Chair Elect.

This newsletter issue is the last for our 2013-2014 publishing year. Please visit our website over the summer for announcements. We will be mailing our 2014-2015 Program Schedule Card to you in late August or early September listing the activities for the coming year.

Best wishes for a wonderful and enjoyable summer.

John Montague  
Chair
