The ISO 9001:2015 Revision: The Expanding

by: **CHRISTY CORBIN,**
Key Account Executive with *riskmethods*

CONTENT SUMMARY

The recently updated ISO 9001 remains the de-facto global standard for quality and consistency. Like the 2000 and 2008 revisions, the new standard continues to emphasize process and performance while moving away from a historical focus on procedure and documentation. In addition to this on-going change, the 2015 revision places particular emphasis on the importance of Supply Chain Risk Management (SCRM). In fact, in order to retain their ISO 9001 certification, companies must demonstrate that they have made the requisite investment in SCRM by Q3 2018.

Join Christy Corbin from riskmethods to learn about how you can implement a closed-loop process that encapsulates risk identification, threat & impact evaluation, risk mitigation, and control.

NOTE: check www.asqmilwaukee.org for information regarding a ROUNDTABLE DISCUSSION this month.

SPEAKER BIOGRAPHY

Christy Corbin is a Key Account Executive with *riskmethods*. She assists companies by addressing supply chain risk management to meet compliance standards and protect their revenue and reputation. Previous to joining *riskmethods*, Christy spent six years at Dun & Bradstreet working with Fortune 1000 procurement, compliance, accounts receivable, and sales/marketing departments to increase revenue, mitigate risk, and create efficiencies through automation.

Updates to the 2017 Recertification Journal

The ASQ Certification Board has made two changes to the Recertification Journal. Members who are due for recertification in 2017 will be able to claim a new benefit effective April 1, 2017.

Update 1 - Include a new category for ASQ Membership for 1.5 RUs max

K) ASQ	Year 1	Year 2	Year 3	Category Maximum
Membership Type				
Full	0.5 RUs	0.5 RUs	0.5 RUs	1.5 RUs
Associate	0.5 RUs	0.5 RUs	0.5 RUs	
Student	0.5 RUs	0.5 RUs	0.5 RUs	

- *Note – we will not award RUs for membership of another professional organization.*
- *ASQ will verify your membership status and effective dates based on the points claimed – therefore no documentation is required.*
- *Partial credit will not be awarded – to claim 0.5 RUs you must have one full year of membership at the time of applying for recertification.*

Update 2 - Reduce Category H (Proctoring) from 7 RUs to 5 RUs

Proctoring is no longer available to many of our members due to the introduction of computer-based testing. Members who have amassed 7 RUs can still submit through 2018.

A new Recertification Journal with these changes is effective April 1, 2017.

For a copy of the latest Recertification Journal, please visit:

<https://asq.org/cert/recertification>
